| MobyMax (Available through Clever) | 27 subjects, including math, reading, phonics, language, vocabulary, spelling, writing, science, social studies, and state test prep. | Grades K-4, Grades 5-8 | http://press.mobymax.com/mobymax-to-provide-all-k-8-schools-and-school-districts-closed-by-covid-19-with-free-internet-learning-software | MobyMax offers the only complete and comprehensive K-8 curriculum for 27 subjects, including math, reading, phonics, language, vocabulary, spelling, writing, science, social studies, and state test prep. Mobymax's digital courseware solution can be used at any time, on any device with an internet connection, whether it's a desktop at school or a tablet at home. | MobyMax announced on March 6, 2020 that it will provide its award-winning educational software free to all schools and school districts forced to close to protect against COVID-19. Mobymax has also developed a Contingency Learning Plan strategy that will help all schools access online learning while schools are closed. Given that most schools do not have plans in place to keep students learning if the physical school has to close, Moby has taken a very bold move in offering our solution to schools and districts for free, understanding school closures could start to snowball. School administrators will need to reach out to Mobymax. Teachers won't be able to set up the access. |

| HERE Meditation | Stress/Anxiety relief | Grades K-4, Grades 5-8, Grades 9-12, Adult | www.hereglobalrelief.org | The HERE mobile app is designed to help rapidly relieve stress & anxiety. It works by pairing interactive exercises (staring/swiping), with breathing, music and/or guided meditation to stimulate the relaxation response and promote executive functioning. This game-like approach can be used by the whole family, and may help calm cabin fever, or provide a mental break in between homeschool activities. | The mobile app is entirely free and accessible for iOS and Android users |
| Maker Maven - Free STEM Challenges | Math, Science, Early Childhood, STEM, Design Thinking | Grades K-4, Grades 5-8 | https://www.makermaven.net/search-results-page/stem%2520challenge | STEM Challenges from Maker Maven - Feature items that can easily be sourced around the home. | STEM Challenges |
| LessonPix | Special Education | Grades K-4, Grades 5-8, Grades 9-12, Adult | https://lessonpix.com/sharing?fbclid=IwAR04lyC_eqb58fMvHm9es0T_WSqiMJN_Hi6TaBHcdG6MQgb1wA0N2f_MYQ | | If you are looking for materials to provide to families while schools are canceled, LessonPix has many Free Sample resources including low tech communication boards, visual supports, articulation games, math, and books and activities to address literacy skills. Just go into our Sharing Center and look for anything with the Free Sample crest. You can download and print these materials to give out freely to families or send as PDFs to families to print themselves. https://lessonpix.com/sharing |
