

TSSAA Constitution and Bylaws
Physical Examination and Parental Consent
Article II – Section 10

It is required that no student be permitted to participate in practice sessions or in athletic contests until there is on file with the principal a pre-participation medical evaluation form signed by a doctor of medicine, osteopathic physician, physician assistant, or certified nurse practitioner stating that the student has passed a physical examination, not prior to April 15, and that in their opinion the student is physically fit to participate in interscholastic athletics. In lieu of the form, the principal may accept a signed statement from the health care provider certifying that the student has passed a physical examination that encompasses all elements on the pre-participation medical evaluation form and attesting that in their opinion the student is physically fit to participate in interscholastic athletics.

No student shall be required to submit to a physical exam if his/her parent(s) or legal guardian shall file with the principal a signed, written statement (affirmed under the penalties of perjury) declining such physical examination on grounds of sincerely held beliefs or practices.

It is required that no student be permitted to participate in practice sessions or in athletic contests until there is on file a parental consent certificate signed by a parent or legal guardian stating that the student has the consent of his/her parent(s) or legal guardian to participate
